that influential journal contained an elaborate account of the suspension of theology, in regard to the position of of returning activity.

Captain Roberts, of the steamer Surprise, has arranged to give a trial trip of his vessel for the benefit of the intending purchasers, the Pacific Navmorning, returning to port the same

#### EUROPE.

#### The Eastern Question.

A despatch from Vienna to the Times says that Kalnoky, the Austrian Minister for Foreign Affairs, has returned to Vienna from Gastein, furnished with the rudiments of an entente cordiale between the three Emperors on the Bulgarian question, at least so far as the immediate future is concerned. "Russia," the despatch says, recognizes the European character of the Bulgarian question, while laying stress upon her special interests in

Prince Alexander is invited to Balmeral by his brother, Prince Henry of Battenberg, the husband of Princess Beatrice.

The Captain of the Kavoloff, the yacht on which Alexander was first conveyed from Bulgaria, has published Agrana. Of 900 inhabitants of the an account of the journey to Ceni. He the latter had tried to escape.

A despatch from Sophia states that the officers of the Bulgarian army The P. M. S. S. Gaelic is advertised stationed there had met and adopted fervent leyalty to Alexander, and expressing themselves as confident that

he would return to Bulgaria. A Sophia despatch says the diffidence of the Bulgarian Government and people towards Russia is growing, because Russia is endeavoring to alter, if not to deny, the promise made by her to the Prince in person regarding the unification of Bulgaria and Eastern Roumelia on the one hand, and the independence of Bulgaria on the other. sia claims that the appointment of all Bulgarian officers be vested in the

The British are establishing a coaling station at Thaso, on the northeast shore of the Island of Thaso. The island is in the Ægean sea, off the south coast of Roumelia, and belongs in great part to the Khedive. The island has, however, for some time enjoyed certain autonomic privileges. Besides establishing a coaling station at the village of Thaso the British are giving other indications of an intention to she has a sufficient force at Alexangovern the whole island. ## THE ARCTIC.

## Poor Whaling.

The steamer Idaho at Port Townsend, September 10, from Alaska, brings the latest news from the Arctic. As far as was learned from the Corwin's late cruise in the Arctic, the whal ing season has been unprofitable. The steamer Bear has rescued the crew of a wrecked whaler, name unknown. The bark Eliza had one whale and the bark Coral two. There is no hope for the crew of the missing whaler Amethyst.

## Off for the North Pole.

A Winnipeg, Canada, despatch of September 10th announces the departure of another American explorer in quest of the North Pole. It says: Colonel Gilder and his companion, Griffith, started for the North Pole last night. They will take the steamer Princess at Selkirk and proceed to Norway House, and from that point they will ascend the Nelson river and preceed to York intending purchasers, the Pacific Navigation Company. The vessel will sail factory. The outfit which the Colonel takes with him weighs a ton and a half and consists of hard tack, permican and other food, guns, rifles, revolvers and other food, guns, rifles, revolvers and other food, guns, rifles, revolvers and annumber of residents and friends to a number of residents and friends to accompany him.

And the re-enactment of penal laws, which a vast majority of the British people are anxious to forget.

Sir Charles Dilke.

Sir Charles Dilke has returned to a number of residents and friends to accompany him.
